++ Valid for broadcast between 1800 and 0600

Headline:
Further fine and dry conditions.

This Evening and Tonight:
Staying dry overnight, with most seeing clear skies throughout, though some high cloud forming drifting over some western areas. A breeze forming through the early hours, especially along southern and western coasts. Minimum temperature 7 deg C (45 deg F).

Tuesday:
Another warm and dry day with plenty of sunshine. Warmer than Monday for many, although feeling slightly cooler along southern coasts in any breezy periods. Maximum temperature 25 deg C (77 deg F).

Outlook for Wednesday to Friday:
Fine and dry to start Wednesday, but heavy and possibly thundery showers arrive through the day. The odd shower still possible Thursday and Friday, but mostly bright and somewhat cooler.
